## OPEN SOURCE USED IN IPANEMA SOFTWARE

This document contains the list of the open source software used in the Ipanema software modules part of the Ipanema's Autonomic Networking System®.

With respect to the open source software listed in this document, if you have any questions or wish to receive a copy of the source code to which you are entitled under the applicable open source license(s) (such as the GNU Lesser/General Public License), please contact us at [support@ipanematech.com](mailto:support@ipanematech.com).

- ace radius
